

# An interactive A to Z of Creative Learning Methods

**CIPD**  
Championing better  
work and working lives

participating in

**Learning at  
Work Week**

13-19 May 2019

## Monday

### Apps

A

## Tuesday

### Games

G

[Link 1](#)

[Link 2](#)

## Wednesday

### Meetings

Reserve a slot for all to respond to, and discuss 'what have I learned this week'

M

## Thursday

### Social media

[Link 1](#)

[Link 2](#)

S

## Friday

### Webinars

W

[Link 1](#)

[Link 2](#)

### Brainstorms

Clearly define the issue you want to tackle and don't criticise or reward ideas during the session

B

### Hackatons

Problem solving events that might not solve the problem in one sitting. Cherish the process!

H

### Networks

N

### Team meetings

T

### EXplorative

X

### Communities of practice

C

### Infographic

I

### Observational Learning

O

### Universities

U

### YouTube

Y

### Demos

Demonstrations work best in small groups and combined with explanations and directions

D

### Journals

J

### Podcasts
